**Subject:** PRP Master draft

Hi Chris

Attached is a compiled draft of the Progress Report of the Parties including all the material we have received so far. Ash has taken a first stab at providing edits throughout the draft as well.

Below is Carla and Ash's availability for a separate call with you and your team to discuss this complete draft, the edits and path forward. Please let us know your preference.

Fri Apr 29 10am-1pm ET

Mon May 2 10am-2pm ET

Wed May 4 10am-1pm ET

I don't think I'll be joining you as I am desperately trying to finish up my career at ECCC. If you'd like please have someone from your team contact Ash and he'll also send you the individual annex drafts that we received so you can see the original documents from Co-Leads.
